**Superintendent's Comments/Recommendations:** Superintendent Jeffery Edison shared the 2017-2018 Florida School District Annual Energy Cost Information report and the Annual Plan Maintenance and Operations Cost Information report with the Board showing the energy costs and maintenance costs for Levy County compared to the other counties within Florida. He said several Levy County people and students are at the State FFA Convention in Orlando this week and will be receiving awards for their accomplishments in FFA. Mr. Edison distributed the Florida Standards Assessments (FSA) district report of Levy County Schools for Spring 2018 and compared the scores to the 2019 results. Mr. Edison said CKS, WWCS, WES and the District increased their scores; CES and BES remained the same; and YTS decreased in their score. He said overall, Levy County's District Score increased from 48 to 52, which is a 4% increase. He said several teachers have been working on the new report card and will be bringing it before the

Board soon. He congratulated Devyn Chorvat, Stacy Drummond, Kelley Hoover, John Miller, Aimee Mitchell, Jodi Nagel, Tanya Taylor, Gabriela Oliveira, Michelle Ruiz, Robert Stark, Nicole Thornton, Aimee Watkins, Karen Welch and Erin Williams for successfully completing the NEFEC's Aspiring Leader's Program Cohort 9 Completion 60-hour program. Mr. Edison said he attended the KG graduations and they will be the graduating class of 2031.

**Board Comments:** Paige Brookins said she's excited about attending the FSBA Convention next week, working with the other counties and hopes to be able to attend the FFA Convention in Orlando. Chris Cowart agreed that Levy County was doing very well at the FFA Convention and congratulated all the students. He asked Marla Hiers where we are on the hiring status. Mrs. Hiers said we're hiring approximately half the amount as last year and some of the schools are almost full. Mr. Cowart said he's looking forward to the FSBA Convention and working with other Board Members. He thanked the reporters for spreading news of the Board meetings. Cameron Asbell said the Levy County employees were recently recognized with pins of years of service and complimented Marla Hiers for getting the pens for the employees. He thanked Suzette Cook, reporter for the Chiefland Citizen, for the great coverage of all the graduations. Ashley Clemenzi said she enjoyed the graduations, but thought the CMHS Valedictorian's speech was the best she has ever heard. She said this is YTS first full week at the FFA Convention and they are really enjoying it. Brad Etheridge said his son is working the food bank in Orlando, while attending the FFA Convention and is learning a whole new experience. He said he enjoys seeing students at graduation after knowing what some of them have to go through to succeed for graduation.

There being no further business to come before the Board, the meeting was adjourned for the Board to go into Executive Session.
