

CHAPTER 5.00 - STUDENTS

5.41 – Student Illness

POLICY:

1. The teacher, principal or nurse shall isolate a student who becomes ill while at school until the student can be removed to his/her home. A student with a temperature above normal, diarrhea, or emesis shall be evaluated and sent home, if necessary.
2. A student who has had a serious communicable disease shall present a statement from a physician licensed by the state of Florida before being readmitted to classes. A student not attended by a physician may be readmitted if the principal, in his/her judgment, finds the student has met the criteria for readmission as established by the County Health Unit.
3. No internal medicine of any kind may be given to a student without the written permission of the parent(s), as defined by Florida Statutes.
4. In an emergency situation, school personnel shall contact emergency services in the interest of student health.
