

CHAPTER 9.00 - TRANSPORTATION SERVICES

9.22 - Bus Storage and Use

POLICY:

Bus drivers shall park their buses, where designated, by the Coordinator of Transportation, in accordance with the master contract, and under no conditions will any driver vary from the parking area designated. When the driver parks his/her bus at the end of the route, it shall not be opened to the public for use in any way and under no conditions may the bus be used for personal or private purpose or for the convenience of the driver subject to negotiated provisions in the Master Contract.
