d. Budget amendments # 19-00022 11A & # 19-00023 12B.

<u>Superintendent's Comments/Recommendations</u>: Superintendent Jeff Edison thanked everyone for their support during this COVID-19 and unprecedented time. He thanked Dennis Webber, Coordinator of School Safety, for his continued home visits with students. Mr. Edison said he and other local officials are working on letters of support to send to Governor DeSantis for the new CMHS project. He said he's working on a combined letter with Chairman Brookins, which will be from him and all the Board members. Mr. Edison said the Administrators are working on plans for each school's graduation to be held on the school campus. The Principals are the contacts for each school and graduating class. He said he will have more information at the next Board meeting. The Board members agreed it would be better to hold graduations on the school campuses and on time, if possible, for memories of the graduates and families.

Board Comments: Chris Cowart said we need to contact our local officials for support of the CMHS project. He said graduation is very important and is a once in a lifetime memory for the graduating seniors. He said he appreciates Superintendent Edison for staying on top of the CMHS project and his support. Brad Etheridge said he is optimistic about our nation and economy returning to normal. He said our school and educational funding is tax based; therefore, it depends on our economy. Ashley Clemenzi thanked everyone for their assistance to the students, teachers and staff during this difficult time. She said she believes we all are doing the best we can for now, but worries about the students being ready for school next year. Cameron Asbell said he believes things have improved greatly compared to the beginning of this pandemic. He said the students are missing their teachers and other classmates. Mr. Asbell complimented the parents for

becoming substitute teachers and teaching their own children during this time. He said it's very difficult. Paige Brookins said she is very proud that CMHS displayed pictures of their graduating seniors and she's proud of all the teachers and staff for their support. She said the students are looking forward to any kind of interactions. They aren't meant to be isolated from their friends.

There being no further business to come before the Board,	the meeting was adjourned.
