Executive Session

The School Board of Levy County met in Executive Session this 8th day of June 2021 at 5:30 p.m. with Board Chairman Cameron Asbell, Ashley Clemenzi, Brad Etheridge, Paige Brookins, Tammy Boyle and Board Attorney David Delaney present.

Board Workshop - Frontline: Marla Hiers introduced Heather Thompson to update the Board on the Frontline Program and Substitutes. Heather said Frontline is an automated placement system for teachers to put in the days they will be absent from the classroom and will need a substitute. Substitutes are able to login anytime of the day to see which positions are available and sign up for the day(s). Teachers can upload classwork and assignments to leave for the substitutes. Real time reporting is available to administrators and school substitute coordinators 24/7. Mrs. Thompson showed a PowerPoint presentation with details of how Frontline works in the schools for substitutes. She said from February 2020 through May 2021, 132 substitutes were hired and 29 of them have been hired as full-time employees.

All School Board meetings are recorded and may be viewed at <https://www.youtube.com/user/LevyCountySchools> within 1-2 days after the scheduled meeting.

Adoption of Agenda: Ashley Clemenzi moved to approve the agenda, second by Tammy Boyle, motion carried.

Welcome Visitors and Public Comments: Board Chairman Cameron Asbell welcomed everyone to the meeting in person or virtually and asked if anyone would like to address the Board. There were none.

Scholarship: Caryl Osteen and Keith Osteen are members of a charity called “Changing for the World for Noel”. Sheriff Bobby Schultz was not able to make it to the meeting. The organization began on behalf of the two deputies tragically taken in Gilchrist County, Sgt. Noel Ramirez and Deputy Taylor Lindsey, April 19, 2018. They presented a \$1,000 scholarship to Brinley Bedford, a 2021 CMHS graduate.

CMHS Construction Update: Anthony Messina, Bryce Hartley and Bill Pearson from Parrish & McCall Constructors, LLC., showed a video of the construction update of the new CMHS. Mr. Messina said the crew began 30 weeks ago and are deep into Phase II. He said they have approximately 92 workers and over 72,000 work hours on the jobsite. They hope to finish Phase I and have teachers start moving into the new classrooms beginning July 12, after the furniture is received. When school finishes at the end of May, demolition will begin on the existing buildings. Anna Kroll showed a PowerPoint presentation for the CMHS new Construction – Special Facilities Funding. She gave an overview of bills paid, GMP, changes and balances including retainages. She thanked Parrish McCall. She said they have been great to work with.
