The School Board of Levy County met in special session this 4th day of October, 2013 at 10:00 a.m. with Board Chair Cameron Asbell, Robert Philpot, Rick Turner, Paige Brookins, Chris Cowart, and Board Attorney David Delaney present.

2014 Insurance Options in regard to the Affordable Healthcare Act: Donna Turner thanked the Board for agreeing to schedule this Insurance Workshop in an effort to help the District Insurance Committee move toward understanding the Affordable Healthcare Act and how it will affect the School Board of Levy County and it's employees. She then introduced the School Board's Benefit Consultant Mr. Don Crook of Combined Benefits Consulting Group and John Watson and Brian Branham of CareHere Crowne, LLC., to review options for providing affordable healthcare to employees and their families. The Workshop lasted for 3 hours and was very informative. Donna Turner will present a recommendation from the Insurance Committee for the 2014 Group Health Plan to the Board for approval at the October 8, 2013 School Board Meeting.

There being no further business, the Board adjourned.
