The School Board of Levy County, Florida
Resolution for Education

WHEREAS, our nation’s future well-being relies on a high quality public education system that prepares all students for college, careers, citizenship and lifelong learning, and strengthens the nation’s social and economic well-being; and

WHEREAS, our nation’s school systems have been spending growing amounts of time, money and energy on high-stakes standardized testing, in which student performance on standardized test is used to make major decisions affecting individual students, educators and schools; and

WHEREAS, the over-reliance on high-stakes standardized testing in State and Federal accountability systems is undermining educational quality and equity in U.S. public schools by hampering educators’ efforts to focus on the broad range of learning experiences that promote the innovation, creativity, problem-solving, collaboration, communication, critical thinking and deep subject matter knowledge that will allow students to thrive in a democracy and in an increasingly global society and economy; and

WHEREAS, it is widely recognized that standardized testing is an inadequate and often unreliable measure of both student learning and educator effectiveness; and

WHEREAS, the over-emphasis on standardized testing has caused considerable collateral damage in too many schools, including narrowing the curriculum, teaching to the test, reducing the love of learning, pushing students out of the school, driving excellent teachers out of the profession, and undermining school climate; and

WHEREAS, high-stakes standardized testing has negative effects for students from all backgrounds, and especially for low-income students, English language learners, children of color, and those with disabilities; and

WHEREAS, the culture and structure of the systems in which students learn must change in order to foster an engaging school experience that promote joy in learning, depth of thought and breadth of knowledge for students; therefore be it

RESOLVED, that the School Board of Levy County, Florida, calls on Governor Scott, the Florida Department of Education and the State Legislature to reexamine public school accountability systems in the State of Florida, and to develop systems based upon multiple forms of assessment which do not require extensive standardized testing, more accurately reflects the broad range of student learning, and is used to support student and improve schools; and

RESOLVED, that the School Board of Levy County, Florida calls on the U.S. Congress and Administration to overhaul the Elementary and Secondary Education Act, currently known as the “No Child Left Behind Act”, reduce the testing mandates, promote multiple forms of evidence of student learning and school quality in accountability, and not mandate any fixed role for the use of student test scores in evaluating educators.

ADOPTED THE 5th DAY OF JUNE, 2012.

Attest:

Paige Brookins, Chairperson
The School Board of Levy County, Florida

Robert O. Hastings, Superintendent

Dennis W. Solowski: Superintendent Hastings reminded the Board that Mr. Solowski had been suspended without pay on May 7, 2012 for having firearms in his vehicle parked on WES campus. He said Mr. Solowski has not requested a hearing and has been given due process. Mr. Hastings then recommended that Mr. Solowski be discharged from employment with the School Board of Levy County for the following violations of School Board Policy 6.11:

- (b) Action which brings the school system into disrepute;
- (m) Misconduct in office;
- (q) Unauthorized possession of weapons, firearms, ammunition or explosives on School Board Property;
- (s) Non-compliance with the regulations and policies of the Board, State Board of Education, or the laws of Florida;
- (t) Other misconduct prejudicial to the interest and/or reputation of the school system; and
- (u) Endangers the health, safety, or well-being of a fellow employee or of a student

After discussion, Beth Davis moved to approve the recommendation of the Superintendent with second by Robert Philpot, motion carried.

Debbie Diane Williams: Concerning the bus driver, Diane Williams, Superintendent Hastings recommended that her suspension with pay be continued until June 8, 2012, the last day for bus drivers to work. He said that would allow time for Ms. Williams to make an appeal to the Safe Driver Committee and for them to write a response. He said he would bring another recommendation to the Board concerning Ms. Williams at the June 19, 2012 Board Meeting. Beth Davis moved to accept the Superintendent's recommendation, Cameron Asbell made the second, motion carried.
