

CHAPTER 8.00 - MAINTENANCE SERVICES

8.15* - Facility Fire Safety Inspection

POLICY:

When the State Fire Marshal or his/her deputy conducts a fire safety inspection as authorized in Sections 633.081 and 633.085, Florida Statutes, and it is determined that a serious fire safety hazard exists which poses an immediate danger to the public health safety, or welfare, the State Fire Marshal and Superintendent are authorized to issue a joint order to vacate the facility in question, which order shall be effective immediately. The Superintendent shall immediately notify the School Board members about such an order.
