

CHAPTER 5.00 - STUDENTS

5.25 - Grade Reduction as Punishment

POLICY:

A pupil's academic grade shall not be reduced as a disciplinary measure; however, this shall not be interpreted to mean that an unexcused absence resulting from suspension or dismissal will not result in the pupil's earning a lower grade because of work missed.

Students in grades 9-12 receiving out of school suspension will not be permitted to receive credit on work missed.

Immediately upon suspension (day one), at the request of the parent or student, the school will provide to the suspended student, homework assignments and instructional materials so that the student has the opportunity to keep up with his/her program of instruction during the period of suspension. Students in grades K-8 placed on out of school suspension may have the opportunity to make up work.
