**Superintendent's Comments / Recommendations:** Superintendent Hastings updated the Board on testing results that have been received and said testing will pick up in the summer for the students that need to re-test. He talked about the results of the testing scores and the growth scores. He said the growth scores were outstanding compared to last years scores. He said the District will make an announcement to the public, after all the scores have been received. Mr. Hastings said Levy County uses Performance Matters to decipher the scores. Superintendent Hastings talked about Commissioner Pam Stewart's Leadership Academy. He said two people who have left employment with the School Board of Levy County, Patrick Wnek and Angel Thomas, were graduating tonight with the 2<sup>nd</sup> graduating class.

**Board Comments:** Rick Turner said it is very sad for the passing of Joe Daniels and asked everyone to keep his family in your thoughts and prayers. Brad Etheridge said the students are glad and relieved that school is out so they can enjoy their summer activities. He said five (5) students from Williston will be participating in Stars over Florida and Levy County will be well represented at the Convention. Cameron Asbell said the Safety Patrol Group goes to Washington, D.C., next week and asked everyone to pray for their safe journey and return. He talked about the FSBA Conference and said the transgender bathroom was one of the major topics in Tampa. Mr. Asbell thanked the Board Members for being so pleasant and cordial with each other. He said we have a great Board in Levy County. Chris Cowart talked about the FSBA Conference topics and said it's good to see how other districts' members interact with each other and all the conflicts they have with each other. He said he is glad to serve as liaison on the FSBA Board of Directors Committee for Levy, Dixie, Gilchrist and Lafayette Counties. Paige Brookins said she's thankful for Levy County and asked about the opening date of the new WMHS. Superintendent Hastings said open house for the students and parents will be August 8 & 9, 2016, and the ribbon cutting for open house will be the end of August. He said all dignitaries and everyone involved with the new school will be invited. Superintendent Hastings said he wants to make two statements for public record. He said he does not think that five (5) Supreme Court Judges have the authority to change the definition of marriage and he doesn't think the President of the USA has the authority to change the definition of gender. Mr. Hastings said based on the articles written by the Pediatric School that the President even knows what gender is. He said can't direct me to change the definition of gender, when he's mistaken what gender is.
