

CHAPTER 11.00 SCHOOL-COMMUNITY RELATIONS AND INTERLOCAL AGREEMENTS

11.07 - Naming of Facilities

POLICY:

The School Board of Levy County shall have sole authority for the naming of any school board facilities.

- (1) The following criteria shall be adhered to in the naming of the aforementioned facilities:
 - (a) The Superintendent will accept all suggestions for the naming or renaming of a facility
 - (b) Prior to the Superintendent carrying forward the suggestion of naming or renaming a facility, his/her staff will consult with the community and/or school leaders which shall include, but not be limited to, the school's advisory council, PTA/PTO, or athletic booster clubs
 - (c) The Superintendent, upon receiving community input, will forward the suggestion to The School Board of Levy County at the next regularly scheduled board meeting
 - (d) The School Board of Levy County will then schedule a public hearing to address the recommendation for naming or renaming a facility within the district
 - (e) On the prescribed date of the public hearing or the meeting following the public hearing, the School Board of Levy County will make a final disposition on the naming or renaming of a facility
- (2) Should a facility be demolished or replaced or the usage and/or occupancy change or if the current name is no longer in the best interest of the school, the School Board of Levy County may consider a new name.
- (3) A facility shall not be named for any current employee or former employee of the School Board of Levy County if the said person has not ceased employment for a period no less than ten (10) years.
