

CHAPTER 10.00 – FOOD AND NUTRITION SERVICES

10.04 - Purposes and Basic Aims of the School Food and Nutrition Service Program

POLICY:

- (1) The School Food and Nutrition Service Program is an integral part of the district education program, offering nutritional and educational opportunities to the pupil as a positive experience in his/her school day. The program is governed by the same principles and types of control as any other department of the school.
- (2) The School Food and Nutrition Service is operated under the general supervision of the Board. The program is for the benefit of pupils and shall be operated on a nonprofit basis. Prices of meals shall be established by the Board and will be subject to change as conditions may require.
- (3) The facilities for the School Food and Nutrition Service shall, in so far as possible, be adequate for efficient operation and sound sanitary and safety practices.
- (4) Foods and beverages in competition with the District's Food and Nutrition Services program must comply with the current USDA Dietary guidelines for Americans and the USDA Smart Snacks in School nutrition guidelines and may only be sold in accordance with the Board Wellness Policy. The principal is responsible for enforcement of this rule.
