6.53 – Florida Best and Brightest Teacher Scholarship Program

POLICY

1. The Florida Best and Brightest Teacher and Principal Allocation is created to provide recruitment, retention and recognition awards to classroom teachers, instructional personnel, and principals based on criteria as defined in s. 1012.01(2), and is to be funded as provided in s.1011.62(18).

Definitions For the purpose of this policy, the following definitions shall apply:

- a. Classroom Teacher – defined in Florida statute 1012.01(2)(a) to include K-12 teachers that are assigned the professional activity of instructing students in courses in classroom situations, including basic instruction, exceptional student education, career education and adult education. By law, it does not include teachers exclusively serving students in Pre-K or post-secondary programs. Teachers will be determined to be “classroom teachers” if they are assigned K-12 students in one or more courses for at least one period during each student day and provide regular instruction to those assigned students.
- b. Content Expert in Math, Science, Computer Science, Reading or Civics – Defined by Florida State Board of Education Rule 6AER19-01 as a teacher who has earned at least a Master’s Degree in one or more of the associated subject areas, or who has earned a Bachelor’s Degree with at least 5 years of work experience in one or more of the associated subject areas.
- c. Instructional Personnel – Defined in Florida Statute 1012.01(2)(a) – (e) The School Board of Levy County will define qualifying instructional personnel as any K-12 staff member whose function includes the provision of direct instructional services to students or whose functions provide direct support in the learning process of students.
- d. Newly Hired – Initial employment with the School Board of Levy County as staff member. This initial employment can be with either a District managed school or charter school; however, a teacher shall only be eligible for one recruitment award with the School Board of Levy County. Teachers previously employed in an instructional capacity in any Levy County school or department, District managed or charter, prior to July 1, 2019, shall not be eligible for an award from this category.

b. Funding

The Florida Legislature annually establishes the total funding allocation for each school district. The District's allocation is based on its proportional share of statewide FEFP base funding using weighted FTE. Each approved charter school operating within the District shall be provided its proportional share of the District's allocation using the same FEFP base funding and weighted FTE formula employed by the state to determine the District's allocation.

c. Award Amounts

The maximum amount of each award is established by the Florida Legislature through the annual General Appropriations Act. The District and charter school governing boards must pay the full award amounts specified in law for categories 1, 2 and 3 prior to paying any category 4 awards. The amount of individual category 4 awards shall be determined by dividing the number of eligible instructional personnel by the total amount of funding remaining after all, category 1, 2 and 3 awards have been paid in full. Should the District's or individual charter school governing board's specific appropriation of funds be insufficient to pay the full award amounts specified in law for categories 1, 2, and 3; each award amount shall be pro-rated to match the District's or charter school governing board's specific appropriation and no category 4 awards will be paid.

The award amounts identified in law, or, in the case of category 4 awards, by policy are considered to be gross award amounts. All applicable employer and employee withholdings shall be deducted from these gross award amounts prior to payment of any award to an eligible instructional staff member or principal. Final eligibility for all award amounts shall be determined at the end of each academic year, and awards shall be paid prior to the end of the fiscal year.

d. Duration

Should the statutory framework or specific categorical funding appropriation related to the Florida Best and Brightest Teacher of Principal allocation be withdrawn or substantially amended by the Florida Legislature or a court of competent jurisdiction, this policy and the payments of any awards shall be immediately suspended until such time as a successor policy is developed and approved.

CHAPTER 6.00 - SCHOOL ADMINISTRATION#

Should any portion of this policy be determined to be inconsistent with state law or deemed otherwise invalid by a court of competent jurisdiction, this policy and the payment of awards shall be immediately suspended until such time as a successor policy is developed and approved.
