EXECUTIVE SESSION**

The School Board of Levy County met in Executive Session this 3rd day of June, 2014 at 8:20 a.m. with Board Chair Robert Philpot, Rick Turner, Paige Brookins, Chris Cowart, Cameron Asbell and Board Attorney David Delaney present.

Expulsion Hearings: The Board heard information regarding recommendations for expulsion. After the School Administrator and parents were sworn in by Pam Morrison, Board Secretary and Notary Public, and had given testimony, the following action was taken by the Board.

Student 14-23 (student and grandparent present): Chris Cowart moved with second by Cameron Asbell to approve the recommendation of the Superintendent to expel the student for the remainder of the 2013-2014 SY and the 2014-2015 SY, with the opportunity to take their end of year exams at Hilltop Alternative School and to enroll at Hilltop in August for the 14/15 SY. Motion carried.

Student 14-24 (student and grandparent/guardian were absent): The superintendent informed the Board that at 7:30 a.m. this morning the student's grandparent/guardian contacted his secretary to say she and the student would not attend the expulsion hearing and to request a continuance. After review of the case by the Board and the Board Attorney, the decision was made to deny the request for continuance and to proceed with the expulsion hearing. Paige Brookins moved with second by Cameron Asbell to approve the recommendation of the Superintendent to expel the student for the remainder of the 2013-2014 SY and the 2014-2015 SY. Motion carried.

**9:00 a.m.
REGULAR SESSION**

The Board then met in regular session to continue with the remaining business of the Board.

Community Eligibility Provision Program Update : Becky Tyson and Ann Kroll updated the Board with a power point presentation on the progress the program has made since it was Board Approved. Becky also distributed the Child Nutrition Fact Sheet from the Food Research and Action Center. Ann reviewed the financial aspect of the program. After questions, the Board thanked them for their very informative presentation.

Principal and District Administrators' Evaluation Process: Candy Dean began the presentation by reviewing the instrument used by the District Office to evaluate Principals – the Florida School Leader Assessment (FSLA), which is a State model Principal evaluation system designed for feedback and growth and that has been approved by the FL Department of Education. She reviewed the components of the evaluation system, answering questions posed by the Board. Next, Dr. Wnek demonstrated how the system actually gives a score for each Principal, plugging in data to give the final FSLA Rating. A Board member asked who at the District evaluates the Principals. Superintendent Hastings responded that he divides all schools in the county into sections and then appoints Jeff Edison, Patrick Wnek, Candy Dean, and Kathy Lawrence (DA schools) to a section for evaluating the Principals. Next, Jeff Edison submitted to the Board for approval the Levy County School Board District Administrator Evaluation System, effective July 1, 2014, a comprehensive system for the annual evaluation of District Administrators. After review, Board Chairman Robert Philpot asked who the evaluators are at the District Level. Superintendent Hastings replied that Jeff Edison and Patrick Wnek evaluate Directors and Coordinators in the Departments they are responsible for according to the organizational chart. Mr. Philpot asked who evaluates Jeff Edison and Patrick Wnek, with the Superintendent responding that he does. With no further questions, Chris Cowart moved to approve the Levy County School Board District Administrator Evaluation System, second by Paige Brookins, motion carried.

2012-2013 FTE Audit: Jeff Edison reviewed the response to audit findings for the 2012-2013 FTE Audit with the Board, explaining it was for informational purposes only and required no Board action.

Award of Bids: Gerald Ward presented the Board with bid tabulations as follows for the 2014-2015 school year. After review, Cameron Asbell moved to approve all the recommendations with second by Chris Cowart, motion carried as follows:

Superintendent's Comments / Recommendations: Superintendent Hastings shared information regarding FL Writes with the Board. He said the High Schools came out well but he is concerned about scores in the Middle and Elementary levels.

Board Comments: Paige Brookins reminded the Board about riding in the Chiefland Watermelon Parade, she thanked Chris Cowart for attending the FL School Board's Association conference in Tampa next week and asked if both the Softball and Baseball State Champions from Levy County would be recognized at a Board Meeting? Mr. Hastings said yes, we are planning that for the June 17th Board Meeting. Chris Cowart commented that at this time of year when all the Graduations are going on, he is proud to know of Levy County Graduates who have done so well like Congressman Jeff Miller and Ryan Tyson in Tallahassee. Robert Philpot commented that the FL Writes scores had increased by a large margin at Bronson and the rest of the schools should find out how they did it so they can use the same methods.

There being no further business to come before the Board, the meeting was adjourned with the Board going into Executive Session.
