2. FINANCE:

- a) General Fund Budget Summary Info as of May 2013
- b) Budget Amendments #15A and #15B

Superintendent's Comments / Recommendations Mr. Hastings asked Bob Clemons to present information to the Board concerning the TRIM Calendar. Mr. Clemons shared Plan A and Plan B with the Board. After reviewing both calendars, Mr. Hasting asked the Board to be ready to vote on which calendar they wanted to use at the next board meeting on June 18, 2013. (see supplemental minutes)

Mr. Clemons also informed the Board that beginning July 1st, he is proposing that the District stop printing the paper "stub" paychecks for employees who have direct deposit. He said this would be a cost savings to the district in the special paper used to print them on as well as employee time for "stuffing" the checks. When asked about employees who keep up with their used / balance of sick and vacation leave on their check stubs, Mr. Clemons said they would be able to access that information online. He said that brings him to another matter he wanted to discuss. He said the District now has the capability through Skyward to create a new system to have employees enter their own leave time. He said this would be a cost savings to the district in the reduction of purchasing the 3-part NCR forms we now use as well as a reduction in the time it takes for all the forms to be approved and processed. He said at this time, it would be for sick and vacation leave only which do not have to be board approved. He also said that beginning July 1st, in order to avoid a lot of confusion, the new system would "pilot" at the District Office, Maintenance and Transportation Departments. The schools will be added one at the time later on in the year until everyone is on board with the new system. The Board asked that Mr. Clemons keep them informed as to how the new system works out.

Mr. Hastings reminded the Board that this was the time of year that everyone at the District office is double and triple "booked" with all the end of year activities at the schools, including award ceremonies, FFA banquets, Graduation ceremonies and retirement parties. He informed them that beginning with the June 18th Board meeting, the meetings will be videoed and posted on the District's website for public viewing. He also said he wanted to update them that the Union had filed an unfair labor practice (UPL) against the District on the 2011/2012 contract. Robert Philpot asked if that would hold up negotiations for the 2013/2014 contract? Mr. Hastings responded that there was no need to do anything going

forward until this is settled. Board Attorney David Delaney said that a response to the ULP was due Tuesday June 11th and that he is working on it.

Board Comments Chris Cowart commended the schools on the Graduations he was able to attend and told the Board he would be in Washington DC with his daughter for the Safety Patrol Trip and would be absent at the next Board meeting. Mr. Turner said he wanted to thank those working toward the Special Facility Funding for the new Williston Middle High School, namely Jeff Edison, Ted Alexander and Robert Philpot. He also thanked Superintendent Hastings who, despite several years of budget shortfalls, has been able to keep the District from cutting staff. He also asked that the calendar for Board visits to the schools be developed early so all Board Members could get them on their calendars, and informed the Board that Yankeetown School would have 8th grade graduation tomorrow at 11:00 am. Robert Philpot told the Board he would be out of town for Williston 4th of July Parade, but they were welcome to use his vehicle. He thanked Mr. Hastings and Mr. Alexander for their help with the baseball fields at the school and the town of Williston. He commended Dr. Hall on the Alternative Class scores.

There being no further business to come before the Board, the meeting was adjourned with the Board going into Executive Session.

ATTEST:

APPROVED:
