Levy County School Board Differentiated Pay Plan
2021-22

In accordance with Florida Statute 1012.22 (1)©(4), beginning with the 2013-14 academic year, the Levy County School Board proposes a salary schedule with differentiated pay for both instructional personnel and school-based administrations. This Differentiated Pay Plan shall be included as part of the salary schedule as required by F.S. 1012.22 and is subject to negotiation as provided in Chapter 447. The differentiated pay is based on district determined factors, including, but not limited to, additional responsibilities, school demographics, critical shortage areas, and level of job performance difficulties.
