

LEVY COUNTY School District

Math Instructional Materials Review and Adoption

Levy County Schools are adopting new instructional materials for the newly state adopted Florida's B.E.S.T Standards for Mathematics. It is the responsibility of the school district to provide adequate instructional materials for students to support their educational needs. All material options have been evaluated by our District Adoption Team in the following areas: content, accessibility, teacher planning, assessment, differentiated instruction, and technology. Parents are invited to review the materials and provide comments at the meetings listed below. To access links for the sample materials, use the links below. For more information or questions, please contact Michelle Ruiz at 352-486-5234 or michelle.ruiz@levyk12.org.

Public Comment Opportunities:

January 31, 2022- District Advisory Council Meeting @5:30pm at the school board office.

February 8, 2022- School Board Meeting @6:00pm at the school board office.
