practices.

Dear Parent/Guardian:

As part of our character and health education for middle and high school students, we are providing Health Educational Program 4th to 12th grade students. These classes were created to help students develop healthier behaviors. This program is being sponsored by Unity Family Community Center, Inc. and is not affiliated with the School Board of your County.

This program uses curricula that has been reviewed and approved by your local school district as well as the School Health Advisory Council. The program is entitled Real Essentials which has been selected by the State of Florida to address foundational skills for developing healthy relationship.

The Center for Relationship Education developed an evidence-based curriculum designed to equip students with engaging and powerful lessons to set students on a course toward holistic health education. Parents are always welcomed and encouraged to review the instructional material on the website at:

www.Myrelationshipcenter.org

Return signed only if you **DO NOT** want your child to attend this program, please sign this letter indicating **NON-PARTICIPATION** and return it to the Administrative Office at your child's school. Your student will be given classroom work in an alternate location. Contact your school nurse if you have any questions.
